DETAILED ACTION

1. Per applicant's request, amended claims 1,8,17 have been entered.

Allowable Subject Matter

2. Claims 1-22 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or fairly suggest at least:
providing interconnectivity between the author, moderator, and review team members for the performance of a committee meeting to review of the database record of potential defects by defects, the author, moderator and review team members evaluating identified potential defects for acceptance or rejection during the committee meeting; as recited in independent claims 1,8, and 17.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art of record Carter in view of Kelbaugh discloses an integrated electronic process for reviewing a development project to evaluate for potential defects in a product under development, comprising:
creating an evaluation review header identifying a peer review moderator, author and task leader;

Art Unit: 2193

Creating a peer review team identifying the review team members and the roles of the author and the moderator;

identifying potential defects within the roles of the author, moderator and the review team members and generating a database record of potential defects; but does not disclose providing interconnectivity between the author, moderator, and review team members for the performance of a committee meeting to review of the database record of potential defects by defects, the author, moderator and review team members evaluating identified potential defects for acceptance or rejection during the committee meeting; as recited in independent claims 1,8, and 17.

Correspondence Information

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark P. Francis whose telephone number is (571)272-7956. The examiner can normally be reached on Mon-Fri 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Meng-Ai T.An can be reached on (571)272-3756. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
